

MEMORANDUM

TO: Committee on Science, Space, and Technology Members and Staff  
FROM: Science, Space, and Technology Committee Staff  
DATE: February 23, 2017  
RE: Full Committee Markup

The Committee on Science, Space, and Technology will meet on **Wednesday, March 1, 2017, at 10:00 a.m.** in Room 2318 of the Rayburn House Office Building to consider the following:

**H.R. \_\_\_\_, the “NIST Cybersecurity Framework, Assessment, and Auditing Act of 2017”**

H.R. \_\_\_\_, the “NIST Cybersecurity Framework, Assessment, and Auditing Act of 2017” will be introduced by Representative Ralph Lee Abraham on February 27, 2017. The legislation amends the National Institute of Standards and Technology Act to strengthen U.S. cybersecurity capabilities.

*For questions about this markup, please contact Molly Fromm of the majority staff at 225-6371*
